

***Lawton Interactive Theater Commitment to Community Health and Safety:***

During our 2021 season we will continue to monitor the current pandemic environment. We receive updates from the Oklahoma State Department of Health and those updates include Centers for Disease Control updates as well. As conditions continue to improve masks may or may not be required in our theater space. We will follow all guidelines and restrictions if any. Please understand that our commitment to the safety of customers, students, and staff has not changed - in fact, we are ramped up efforts to keep everyone as healthy as possible. We will have extra masks and plenty of hand sanitizer should you need some.

If you have any questions, feel free to send us a Private Message on Facebook or send me an email. My contact information is listed below.

Thank you,

Bob Wright  
Co-Founder and Executive Director
